

MODIFY DEMANDS ON CAR COMPANIES, PLAN IN ANACOSTIA

Citizens Likely to Change
Attitude on Universal
Transfer Bill.

WASHINGTON TIMES BUREAU,
ANACOSTIA, D. C., APRIL 19.

Citizens of this part of the District have been exchanging views regarding the universal street car transfer bill, which provides that all street car companies in the District of Columbia shall give interchangeable transfers to their patrons, and the subject is one that is slated to receive the consideration of the Anacostia Citizens' Association at its next meeting. The sentiment of the community appears to be unanimous in favoring such a measure, but modifications of the proposed bill are expected to be discussed when the Citizens' Association holds its next meeting.

The marriage of Miss Maude M. Grimes, until recently connected with the Treasury Department, and Dr. Heber C. Butts, U. S. N., stationed at the Government Hospital for the Insane, took place on Monday at noon in Christ Protestant Episcopal Church, in G street southeast, where the Rev. Arthur S. Johns, the rector, performed the ceremony. The bride was given in marriage by Walter N. Grimes, her brother, of Port Chester, N. Y. Alfred G. Eldridge was at the organ and played several appropriate selections while the marriage was being performed. Immediately following the wedding there was a reception for the relatives and close friends of the young couple at the residence of Mrs. Margaret Grimes, the mother of the bride, at 23 Quincy street northwest. Dr. and Mrs. Butts then left for a short Western trip. They will return to take up their residence at the Government Hospital, where Dr. Butts has been assigned to represent the United States Navy. A number of out-of-town guests witnessed the ceremony.

Dr. Paul Bowers, who has been asso-

ciated with the physicians' staff of the Government Hospital for the Insane, has departed for his new post in Indianapolis, Ind., where he will supervise a criminal insane department attached to one of the institutions in that city. Dr. Bowers has been employed at the Government Hospital for the last four years.

Policeman P. J. Whelan, a member of the Anacostia force, was notified yesterday of the death at Saratoga, N. Y., of Miss Jennie Whelan, a sister. The remains will be brought to Falls Church, Va., for interment.

The members of the Eleventh precinct indicated their sympathy for their fellow-officer in his bereavement by the presentation of a handsome floral piece.

Policeman Ernest M. Brooks, of the Eleventh precinct, investigated the report yesterday that an effort had been made to destroy by fire the old frame building at the head of Talburt street, until recently utilized as a home for children by the Episcopal denomination. Policeman Brooks found nothing to indicate that anything of this kind had been attempted. An out-house, some distance away, had been on fire for a time, but the reason was not discovered. The building was, however, torn down at once.

The patients and the employees of the Government Hospital for the Insane enjoyed their Easter dance, an annual event, last evening in Hitchcock Hall. Handsome floral decorations were in place, flowers from the hot houses having been sent to adorn the place of assembly.

W. A. Morris, the president of the District Epworth League, will deliver an address in the Anacostia Methodist Episcopal Church on Sunday evening next before the local league.

The Willing Workers' Society of the Garden Memorial Presbyterian Church will meet on Friday evening at the home of Mrs. Annie Swindells, in Twinning City.

The regular monthly meeting of the Brotherhood of the Presbyterian Church has been set for Friday evening at the residence of Alexander B. Garden, Minnesota avenue.

The new brick bakery that has been under erection for a number of months at the Government Hospital for the Insane has been completed and the building is now in use.

The Rev. George M. Cummings, the pastor of the Garden Memorial Presbyterian Church, will begin his term as chaplain at the Government Hospital for the Insane on Sunday, April 23, succeeding the Rev. Charles H. Butler, of Washington.

The euchar party given last evening by the Sodality of the Children of Mary of St. Teresa's Church in the hall of the parochial school of the parish, in the street, was attended by 300 people. Two hundred players received prizes, which had been donated to the society for the euchar. The financial return to the organization will be substantial.
